

Senior CommUnity Care of North Carolina

PACE

Surrounding you with the care you need,
to remain in the home you love.

The Program of All Inclusive Care for the Elderly (PACE) model is centered on the belief that the well-being of seniors with chronic care needs and their families are better served in the community.

Senior CommUnity Care provides health care and supportive services enabling older adults to sustain independence and continue living in their home whenever possible. We are a service of Volunteers of America, a non-profit organization.

Enrollment

Our Enrollment Specialist will meet with you and a family member or caregiver to explain the program. They will do an assessment of your eligibility and schedule a visit to our Center and a meeting with a PACE primary care provider, nurses and other key staff. The information gathered will be sent to the State to determine whether an individual meets the level of care required. You will receive a medical evaluation and a custom care plan.

SCCNC may assist with completing Medicaid application paperwork, specific to PACE services. Enrollment is voluntary. You may disenroll at any time by notifying the Senior CommUnity Care of North Carolina social worker.

Eligibility

Individuals are eligible for this program if they:

- Are 55 or older
- Live in the service area
- Meet State of North Carolina criteria for Long Term Care Medicaid
- Can live safely at home with our services at the time of enrollment

VOA SCCNC complies with applicable Federal civil rights laws and does not discriminate on the basis of race, ethnicity, national origin, religion, age, sex, mental or physical disability, sexual orientation or source of payment for your health care.
